2 Pack

USB Cable for iPod/iPad/iPhone

- Connect your iPod, iPhone, or iPad to the USB port
- Sync, charge and back-up your files to any Mac or Windows PC
- Apple-Certified

Sync, Charge and Go

Kanex USB cables support all iPod, iPhone and iPad models. Back-up files to your Mac or Windows PC or transfer your videos, music and pictures in seconds.

Two is Better than One

Using multiple iOS devices, consumers require a charging solution for the home, the office and the commute. Kanex USB 2-Pack cables will allow quick and easy synching, charging and back up for iOS devices simultaneously.

Apple-Certified

With an Apple-Certified 2-Pack cable solution, consumers know they can expect quality and flexibility for their iOS devices while on-the-go.

Made for iPod iPhone iPad
